

DAL 1852

### ALINARI HISTORICAL ATELIER

Fratelli Alinari is the only photographic company in the world to have maintained its uninterrupted activity **since 1852 until today.**

Entrance of Alinari building, 1900

Entrance of Alinari building, today

The building located in Florence, Largo Alinari 15, premises of the company **since 1863**, can be visited on demand with a guided tour in **italian or English language**

The visit offers the possibility to see::

- the collection of the **Historical Archives**, 120.000 original glass plate negatives produced by the Company since the beginning of its activity and still kept in the same archive rooms used in the past, as well as the 130.000 glass plate negatives from the archives Brogi, Anderson, Chauffourier, Fiorenti, Mannelli that have been added to the Alinari Archives between the 1940's and 60's

The glass plate negatives archive, 1900
